Sir,

Sub:- Workmen's Compensation Act - The Central Jail, Bellary - Accident to B. Anjine, Convict No.2147 Ex-gratia - Payment.

B. Anjine, Convict No.2147 of the Central Jail, Bellary met with an accident in the course of his employment in the spinning department of the Jail on the 20th November 1948 resulting in the loss of his right index finger. He was employed within the meaning of clause (ii) of Schedule II of the Workmen's Compensation Act, and the accident arose out of and in the course of his employment. He is not, however, a "workman" within the meaning of Section 2(1)(n) of the Act, as he was not employed on wages. The average monthly wage of a workman of his class employed on similar work in the Buckingham & Carnatic Mills, Madras, which is the next nearest mill has been ascertained to be between Rs.80/- and Rs.100/- If the convict were a "workman" he will be entitled to the payment of a lumpsum of Rs.420/- under Section 4(1)c.(1) and Schedules I and IV of the Act. I request that the Government may be pleased to sanction this amount to the convict as ex-gratia. The Superintendent of the Jail may be asked to keep the amount in deposit and pay it to the convict on his release.
